PBO 930086507

Who We Are

QUIVER TEAM

We are a reintegration home for men who have completed rehabilitation and are asking "What now?"

The Quiver Reintegration House provides:

- Safe accommodation (10 spaces, 5 rooms)
- Personal mentoring
- Work readiness and work experience
- Educational and entrepreneurial support
- Purpose discovery

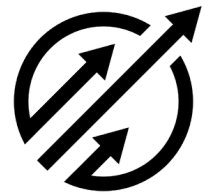

Every man's reintegration journey is unique.

- Unique educational backgrounds
- Unique work histories
- Unique family relationships
- Unique skills and capacities

So we do not run a fixed program.
We walk a journey.

WHAT THE JOURNEY LOOKS LIKE

THE JOURNEY

While every journey differs, we focus on:

Stability:

- Structured daily rhythm
- Chores & shared responsibility
- Community accountability
- Mentoring sessions

Work & Skills:

- Job readiness
- CV development
- Work placements or employment
- Business planning (where relevant)

Personal Growth:

- Building on strengths
- Restoring relationships
- Discovering personal purpose

We believe reintegration is not just about getting a sustainable. It is about unlocking purpose.

Accommodation

REINTEGRATION HOUSE

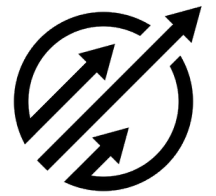

The House (Woodstock, Cape Town)

- 10 residents
- 5 shared rooms
- Communal kitchen and living areas
- Structured environment
- Live-in Mentors

Who It's For:

- Men (18 – working age)
- Completed or nearing completion of rehab
- Motivated to rebuild
- Willing to live in community

THE COST

The monthly cost per resident is R10,000 per month

This includes:

- Accommodation
- Food
- Utilities
- Mentoring
- Administration
- A personal development allocation
- (education, training & business support)

Because every family's situation differs, we can do a contribution model based on the financial situation, assessed confidentially.

Length of stay:

- Estimated 6-12 months
- Extensions assessed individually
